配置イメージ

The configuration image shows three vertically stacked forms, each with a circular punch hole on the left side. The forms are color-coded: blue for the top (Request Form), pink for the middle (Delivery Form), and green for the bottom (Receipt Form). Each form has a header section with the company logo and contact information, and a table with columns for item name, quantity, unit, price, and total. The forms are separated by dashed lines, indicating they are part of a 3-page document.
